

## Contents

Foreword	
N. Cannone & M. Guglielmin .....	V
Moss and Lichen Flora of Victoria Land (Continental Antarctica) along a Latitudinal Transect	
N. Cannone .....	1
ANTADATA: A Database on Biogeography of Non Marine Algae in Continental Antarctica	
P. Cavacini & B. Fumanti .....	11
Interactions between Climate, Vegetation and Active Layer in Maritime and Continental Antarctica for Climate Change Monitoring	
M. Guglielmin, J.C Ellis Evans & N. Cannone .....	15
The Latitudinal Gradient Project: Contributing to RISCC	
S. Gordon .....	27
Stable Isotope Ratios as a Tool for Assessing the Marine Influence on Antarctic Terrestrial Ecosystems	
A.H.L. Huiskes, H.T.S. Boschker, D. Lud, T.C.W. Moerdijk-Poortvliet & N. Cannone .....	33
The Mycota of Continental Antarctica	
S. Onofri, L. Selbmann, L. Zucconi, S. Tosi & G.S. de Hoog .....	37
Ciliate Biodiversity in Freshwater Environments of Maritime and Continental Antarctica	
W. Petz, A. Valbonesi & A. Quesada .....	43
Which Cyanobacterial Genotypes Are Observed in Microbial Mats of Antarctic Lakes?	
C. Schmoker, A. Taton, P. Balthasart, S. Grubisic, D.A. Hodgson & A. Wilmotte .....	51
Measuring Impacts on Soils by Human Activity in an Antarctic Special Protected Area	
P. Tejedo, A. Justel, E. Rico, J. Benayas, A. Quesada .....	57
